

**Archuleta School District 50 JT
Pagosa Springs Elementary School
Acceptable Use Agreement for Students**

Guidelines

- I will not give out my name, address, or any other personal information to someone I don't know either on the Internet or by e-mail.
- I will not bring a computer virus to school.
- I will not copy computer programs.
- I will not use the computer to hurt or harass others.
- I will report anyone who tries to use the computer to hurt or harass me.
- I understand that the computers and the Internet are to be used for school-related/educational purposes only.
- I will not copy information without including the author's name.
- I will not look for, read, view or copy inappropriate pictures or information.
- I will not try to get access to or make the computer do things not approved by my school and the District (hacking).
- I will not read, copy, or damage the work of other students.
- I will not talk to strangers in on-line conversations.
- I will not access the District Internet from a personal device.

E-mail

- I will not read other student's e-mail without permission.
- I will not use improper language or pictures.
- I will not use e-mail to spread lies about others.
- I will not pretend to be someone else while sending e-mail.
- I will not send out my name and address in e-mail or on the Internet.
- I will not send out names and addresses of others in e-mail or on the Internet. I will not send chain letters.
- I will not send e-mail to anyone who asks me not to.

Sometimes computers do not work

- I understand that the computers, network, and printers may not work every day.
- I understand that sometime my computer work may be lost.
- I understand that some things I read on the Internet may not be true.
- I understand that the computers belong to the district and that using them is a privilege, not a right.

Monitored Use

I understand that other people may look at the information on my computer, including, but not limited to, e-mail messages, sites I visited on the Internet, and files downloaded on the Internet, and I consent to them looking at such information.

Damaging the Computers

- I might not be allowed to use the computers if I break these rules.
- I may have to pay for any damage I cause.
- I may be suspended or expelled from school if I damage the computers.

I have read or have had read to me, understand, and agree to the statements set forth above. I understand that use of educational technology is a privilege and I may be barred from district hardware, software and/or other technology if I do not follow the rules.
